Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Vassar 6 -12 building. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jason Kiss, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.vassar.k12.mi.us>, or you may review a copy in the main office at your child's school.

For the 2017-18 year, Vassar used significant School Improvement Grant funds to the betterment of the school. We focused on closing the achievement gap for our low SES students. The schools improvement plan is outlined in the School improvement grant and is constantly monitored and evaluated. The Vassar Public Schools webpage under counseling has a downloadable copy of the core curriculum and pacing guides. On the front page of the district website you can access state test scores by clicking on the MI School Data blue link.
